HTML Help Workshop

File View Test Tools Help

The main interface of the HTML Help Workshop application is shown. The top menu bar includes 'File', 'Edit', 'Tags', 'View', 'Test', 'Tools', 'Window', and 'Help'. Below the menu is a toolbar with various icons. On the left, there's a 'Project' pane with a tree view and some settings like 'Compatibility=1.1 or later', 'Compiled file=helpfile.chm', 'Display compile progress=No', and 'Language=0x41f Türkçe (Türkiye)'. The central workspace shows a window titled 'Untitled1' containing the following HTML source code:

```
<!DOCTYPE HTML PUBLIC "-//IETF//DTD HTML//EN">
<HTML>
<HEAD>
<meta name="GENERATOR" content="Microsoft® HTML Help Workshop 4.1">
<Title>About</Title>
</HEAD>
<BODY>

</BODY>
</HTML>
```

```
